The Anti-Feminism League is proud to present a Toady Award (2012) to Sir Roger Carr, chairman of Centrica, in recognition of his contributions to militant feminism. They include his membership of the 30 percent club and being a signatory to the 2010 CBI report, 'Room at The Top'. Of the 14 signatories to the report nine were women, and the five men already well-known supporters of 'improving' gender diversity on UK corporate boards.
